Centre

OUR OBJECTIVES

In partnering with the Student Academic Success Services (SASS), the Faculty of Health Sciences Student Mentoring Program aims to motivate student academic, personal and professional excellence, foster a sense of community and promote the inclusion, autonomy and the retention of all students enrolled at the Faculty of Health Sciences.

OUR STUDENT MENTORING PROGRAM

- Exceptional peer support for all students in the Faculty of Health Sciences
- Champion academic, personal and professional skills coaching
- Two locations: Montpetit and Guindon Halls

OUR TEAM

- Stellar students engaged in the university community
- Professionally trained in study skills and peer coaching
- Recipients of CIBC Mentoring Scholarship

OUR APPROACH

- Individualized mentoring
- Study groups – Anatomy and Physiology, Chemistry, Math and Pathophysiology
- Web site hosted on Blackboard Vista
- Discussion forums
- Online mentoring
