

CARDIOVASCULAR/RESPIRATORY GUIDELINES – EXCLUDED

SMOKING CESSATION GUIDELINES - EXCLUDED

The Agency of Health Care Policy and Research Smoking Cessation Clinical Practice Guidelines – Wetter, D.W., Fiore, M.C., Gritz, E.R., et al. (1998)

- Am Psychol; 53(6): 657-69
- Reason for exclusion: release date of publications not within 5 years

CARDIOPULMONARY GUIDELINES – EXCLUDED

AARC Clinical Practice Guideline: Pulse Oxymetry – American Association for Respiratory Care (1992)

- Respiratory Care; 37: 918-922
- Reason for exclusion: release date of publications not within 5 years

Adherence to Management of High Blood Pressure – Recommendations of the Canadian Coalition for High Blood Pressure Prevention and Control (1998)

- Canadian Journal of Public Health; 89(5): I5-7
- Reason for exclusion: release date of publications not within 5 years

Clinical Competency Guidelines for Pulmonary Rehabilitation Professionals - American Association of Cardiovascular and Pulmonary Rehabilitation Position Statement (1995)

- Southard, D.R., Cahalin, L.P. et al. Journal of Cardiopulmonary Rehabilitation; 15: 173-178.
- Reason for exclusion: release date of publications not within 5 years

Guidelines on the Management of COPD – British Thoracic Society Standards of Care Committee (1997)

- Thorax; 52: suppl V.
- Reason for exclusion: release date of publications not within 5 years

Management of Asthma: A Consensus Statement – Warner, J.O., Gotz, M., Laudau, L.I. et al. (1988)

- Arch Dis Child; 64:1065-1079
- Reason for exclusion: release date of publications not within 5 years

Pulmonary Rehabilitation: Joint ACCP/AACVPR Evidence-Based Guidelines – American College of Chest Physicians/ American Association of Cardiovascular and Pulmonary Rehabilitation (1997)

- Chest; 112: 1363-1396
- Reason for exclusion: release date of publications not within 5 years

CYSTIC FIBROSIS GUIDELINES – EXCLUDED

Chest Physical Therapy Management of Patients with Cystic Fibrosis – Thomas, J., Cook, D.J., and Brooks, D. (1995)

- Am J Respir Crit Care Med; 151: 846-850
- Reason for exclusion: release date of publications not within 5 years

CARDIAC REHABILITATION – EXCLUDED

Recommended Guidelines for Monitoring and Supervision of North Carolina Phase I/II Cardiac Rehabilitation Programs – Verrill, D.: North Carolina Cardiopulmonary Rehabilitation Association (1996)

- J Cardiopulm Rehabil; 16(1): 9-24
- Reason for exclusion: release date of publications not within 5 years

MUSCULOSKELETAL GUIDELINES – EXCLUDED

ARTHRITIS GUIDELINES – EXCLUDED

American Association of Clinical Endocrinologists Medical Guidelines for Clinical Practice for the Prevention and Treatment of Postmenopausal Osteoporosis (2001 Edition with selected updates for 2003)

- <http://www.aace.com/clin/guidelines/osteoporosis2001revised.pdf>
- Reason for exclusion: Not relevant to rehabilitation therapies

Guideline on Osteoporosis (AUTHOR) (DATE?)

- www.guideline.gov/FRAMSET/guideline_fs.asp
- Reason for exclusion: ***Not available/You have to order it***

Management of osteoporosis (AUTHOR) (DATE?)

- www.nof.org/physioguide/table_of_contents.htm
- Reason for exclusion: No reference list of scientific publications

Occupational Therapy Practice Guidelines for Adults with Rheumatoid Arthritis – The American Occupational Therapy Association (2001)

- None
- Reason for exclusion: Poor quality CPG (i.e. recommendations not linked to scientific data, recommendations are not easily identifiable), ***not available online***

Rheumatoid Arthritis – Clinical Evidence, BMJ Publishing Group (2002)

- Reference: Dieppe, P., Chard, J., Lohmander, S. and Smith, C. (2002) Osteoarthritis Clinical Evidence. London: BMJ Publishing Group.
- www.clinicalevidence.com
- Reason for exclusion: Not relevant to rehabilitation therapies

AXIAL/VERTEBRAL PATHOLOGIES – EXCLUDED

Guideline on low back pain (AUTHOR) (1996)

- www.guideline.gov/FRAMSETS/guideline_fs.asp
- Reason for exclusion: Release date of publications not within 5 years

PERIPHERAL PATHOLOGIES – EXCLUDED

Clinical guideline on knee pain (AUTHOR) (DATE?)

- www.guideline.gov/FRAMSETS/guideline_fs.asp
- Reason for exclusion: Release date of publications not within 5 years

Flexor Tendon Practice Guidelines – American Society of Hand Therapists (DATE)

- None
- Reason for exclusion: ***Not available online/Need to order***

Practice guidelines for anterior cruciate ligament rehabilitation: a criterion-based rehabilitation program – Operative Techniques in Orthopaedics (1996)

- Operative Techniques in Orthopaedics; 6:190-196
- Reason for exclusion: Release date of publications not within 5 years/not available online

Shoulder trauma (AUTHOR) (1999)

- www.guideline.gov/FRAMSETS/guideline_fs.asp

- Reason for exclusion: Content not pertinent to *physiotherapy (should verify for other rehabilitation therapies???)*

GERIATRICS

The Management of Chronic Pain in Older Persons - AGS Panel on Chronic Pain in Older Persons (1998)

- www.americangeriatrics.org/products/chronic_pain.pdf
- Reason for exclusion: Release date of publications not within 5 years

OTHER

Clinical Practice Guideline for Chronic Non-Malignant Pain Syndrome Patients – Sanders, S.H. and Rucker, K. (1995)

- Journal of Back and Musculoskeletal Rehabilitation; 5:115-120
- Reason for exclusion: Release date of publications not within 5 years/not available online

Consensus Statement on Acupuncture – National Institute of Health (DATE?)

- www.odp.od.nih.gov/consensus/cons/107/107_statement.htm
- Reason for exclusion: does not address specific or vertebral conditions

Consensus Statement on the Management of Temporomandibular Disorders – National Institute of Health (DATE?)

- www.odp.od.nih.gov/consensus/ta/018018_statement.htm
- Reason for exclusion: Temporomandibular joint is neither a peripheral nor a vertebral articulation **DO WE REALLY WANT TO EXCLUDE FOR THAT REASON**

Council on Chiropractic Practice Clinical Practice Guideline for Instrumentation (AUTHOR, DATE?)

- www.chiropage.com/guidelines/instrumentation.asp
- Reason for exclusion: does not address specific or vertebral conditions

Exercise in Pregnancy Part 2: Recommendations for Individuals (AUTHOR) (1997)

- Canadian Family Physician; 43(1): 107-111
- Reason for exclusion: Release date of publications not within 5 years

Falls and fall risk (AUTHOR) (DATE?)

- www.guideline.gov/FRAMSET/guideline_fs.asp
- Reason for exclusion: **Not available/You have to order it**

Guideline on management of concussion in sports (AUTHOR) (DATE?)

- www.guideline.gov/FRAMSET/guideline_fs.asp
- Reason for exclusion: Summary of guideline, no author

NEUROMUSCULAR GUIDELINES - EXCLUDED

STROKE GUIDELINES – EXCLUDED

Clinical Practice Guideline for Post-Stroke Rehabilitation and Occupational Therapy Practice – Trombly, C. (1995)

- None
- American Journal of Occupational Therapy; 49(7): 711-714
- Reason for exclusion: release date of publication not within 5 years

Management of Patients with Stroke: Assessment, Investigation, Immediate Management and Secondary Prevention. A national clinical guideline – Scottish Intercollegiate Guidelines Network (1997)

- <http://www.show.scot.nhs.uk/sign/pdf/sign13.pdf>
- Reason for exclusion: release date of publications not within 5 years

Post-Stroke Rehabilitation Guideline Number 16 – Center for Health Economics Research/Agency for Health Care Policy and Research (AHCPR) (1995)

- <http://hstat2.nlm.nih.gov/download/483972737688.html>
- Reason for exclusion: release date of publications not within 5 years

The Italian Guidelines for Stroke Prevention – The Stroke Prevention and Educational Awareness Diffusion (SPREAD) Collaboration (2000)

- Link
- Reason for exclusion: Lack of reference list of scientific publications. **(TO VERIFY)**

SPINAL CORD INJURIES GUIDELINES - EXCLUDED

Athletic Spinal Cord and Spine Injuries: Guidelines for Initial Management – Wilberger, J.E. (1998)

- None
- Reason for exclusion: release date of publications not within 5 years

Spinal Trauma: New Guidelines for Assessment and Management on the Out-of-hospital Environment – Mattera, C.J. (1998)

- Journal Emerg Nurs; 24(6): 523-534
- Reason for exclusion: release date of publications not within 5 years

TRAUMATIC BRAIN INJURY GUIDELINES – EXCLUDED

Rehabilitation of Persons with Traumatic Brain Injury – National Institutes of Health Consensus Statement (1998)

- http://odp.od.nih.gov/consensus/cons/109/109_statement.htm
- Reason for exclusion: release date of publications not within 5 years

URINARY INCONTINENCE GUIDELINES – EXCLUDED

Urinary Incontinence in Adults: Acute and Chronic Management (AUTHOR) (1996)

- <http://www.acplus.com/563867575918.html>
- Reason for exclusion: release date of publications not within 5 years

NEUROMUSCULAR PEDIATRICS – EXCLUDED

Review of the Effects of Progressive Resisted Muscle Strengthening in Children with Cerebral Palsy: A Clinical Consensus Exercise – Darrah, J., Ran, J.S.W., and Chen, L.C. (1997)

- Pediatric Physical Therapy; 9(1):12-17
- Reason for exclusion: release date of publications not within 5 years

TEGUMENTARY GUIDELINES - EXCLUDED

VASCULAR PATHOLOGIES GUIDELINES – EXCLUDED

Quick Reference Guide for Clinicians: Pressure Ulcer Treatment (AUTHOR) (1995)

- <http://www.woundheal.com/healing/clinicalprintversion.htm>
 - Journal of the Academy of Nurse Practitioners; 7(8): 389-406
 - Reason for exclusion: release date of publications not within 5 years
-

Other Physical Rehabilitation Guidelines - EXCLUDED

1. Philadelphia Panel EBPCGs on Selected Rehabilitation Intervention for Knee Pain (www.ptjournal.org/PTJournal/October2001/ad100101675p.pdf)

Reason: Arthritic condition/temporary excluded

2. ICSI- Diagnosis and Treatment of Adult degenerative Joint Disease of the Knee (www.ICSI.org/guide/DJD.pdf)

Reason: Arthritic condition/temporary excluded

3. Guidelines for the Prevention of falls in People Over 65

(<http://bmj.com/cpgi/content/full/321/7267/1007?view=full?pmid=11039974>)

Reason: Geriatrics

4. Council on Chiropractic Practice Clinical Practice Guidelines for Instrumentation

(www.chiroprage.com/guidelines/instrumentation.asp)

Reason: Does not address specific or vertebral conditions

5. National Institute of Health- Consensus Statement on Acupuncture

(www.odp.od.nih.gov/consensus/cons/107/107_statement.htm)

Reason: Does not address specific or vertebral conditions

6. National Institute of Health- Consensus Statement on the Management of Temporomandibular Disorders

(www.odp.od.nih.gov/consensus/ta/018018_statement.htm)

Reason: Temporomandibular is neither a peripheral nor a vertebral articulation

7. Scottish Intercollegiate Guidelines Network-Management of Early Rheumatoid Arthritis

(www.show.scot.nhs.uk/sign/pdf/sign84.pdf)

Reason: Arthritic condition/temporary excluded

8. Scottish Intercollegiate Guidelines Network-Management of Elderly People with Fractured Hip

(www.show.scot.nhs.uk/sign/pdf/sign15.pdf)

Reason: Geriatrics

9. Clinical Practice Guidelines- The Recognition and Assessment of Acute Pain in Children

(www.data.rcn.org.uk/services/promote/clinical/CPGContents.pdf)

Reason: Paediatrics

10. Recommendations for the Medical Management of Osteoarthritis of the Hip and Knee

(www.rheumatology.org/research/guidelines/guidelines/oa-mgmt/oa-mgmt.html)

Reason: Arthritic condition/temporary excluded

11. The Management of Chronic Pain in Older Persons-AGS Panel on Chronic Pain in Older Persons

(www.americangeriatrics.org/products/chronic_pain.pdf)

Reason: Geriatrics

12. Clinical Practice Guidelines by the National Osteoporosis Society (NOS)

(www.fore.org/guidelines_of_care/overview.html)

Reason: Arthritic condition

13. Clinical Practice Guidelines- The management of Patients with Venous Leg Ulcers

(www.data.rcn.org.uk/services/promote/clinical/VenousLegUlcers.pdf)

Reason: Non-pertinent to standard outpatient practice

14. Guideline on management of concussion in sports

(www.guideline.gov/FRAMSET/guideline_fs.asp?guideline=000649&sSearch_string=rehabilitation)

Reason: It is a summary, no author

15. Management of osteoporosis

(www.nof.org/physioguide/table_of_contents.htm)

Reason: No reference

16. Falls and fall risk

(www.guideline.gov/FRAMSET/guideline_fs.asp?view=brief_summary&guideline=001034&synthesis_filename=&url=&hidden=true&sSearch_string=rehabilitation)

Reason: Not available/You have to order it

17. Guideline on Osteoporosis

(www.guideline.gov/FRAMSET/guideline_fs.asp?view=brief_summary&guideline=001034&synthesis_filename=&url=&hidden=true&sSearch_string=rehabilitation)

Reason: Not available/You have to order it

18. Guideline on low back pain

(www.guiline.gov/FRAMSETS/guideline_fs.asp?guideline=000932&sSearch_string=reh)

abilitation)

Reason: Outdated-1996

19. Hallux valgus in the healthy adult

(www.guideline.gov/FRAMSETS/guideline_fs.asp?guideline=000850&sSearch_string=rehabilitation)

Reason: Not available online

20. Criteria for ankle and foot treatment (1999)

(www.guideline.gov/FRAMSETS/guideline_fs.asp?view=brief_summary&guideline=1122&synthesis_filename=&url=&hidden=true&sSearch_string)

Reason: Not available online

21. Clinical guideline on knee pain

(www.guideline.gov/FRAMSETS/guideline_fs.asp?guideline=933&sSearch_string)

Reasons: Outdated and not available online

22. Osteoporosis, guide to prevention, diagnosis and treatment

(www.guideline.gov/FRAMSETS/guideline_fs.asp?guideline=1361&sSearch_string)

Reason: Not available online

23. Fibromyalgia (1999)

(www.guideline.gov/FRAMSETS/guideline_fs.asp?guideline=1132&sSearch_string)

Reason: Not available online

24. Osteoporosis prevention, diagnosis and therapy (2000)

(www.guideline.gov/FRAMSETS/guideline_fs.asp?guideline=1761&sSearch_string)

Reason: Not pertinent to physiotherapy

25. Shoulder trauma (1999)

(www.guideline.gov/FRAMSETS/guideline_fs.asp?view=brief_summary&guideline=1649&synthesis_filename=&url=&hidden=true&sSearch_string)

Reason: Content not pertinent to physiotherapy

26. Post-Stroke Rehabilitation Guidelines

(www.ahrq.gov)

Reason: outdated (1995)

Speech Language Pathology and Audiology - EXCLUDED

1. Traumatic Brain Injury Rehabilitation Guidelines

(http://www.nzgg.org.nz/library/gl_complete/tbi/TBI_guideline.pdf)

Reason: Rehabilitation, but mostly administrative

2. Protocol for Clinical Approach to Adult Patients with Gastroesophageal Reflux

(http://www.nzgg.org.nz/library/gl_complete/tbi/TBI_guideline.pdf)

Reasons: No authors name's mentioned and mostly pharmaceutical

3. Management of patients with stroke: IV Rehabilitation, prevention and management of complications and discharge planning

(<http://www.show.scot.nhs.uk/sign/pdf/sign24.pdf>)

Reason: Mostly administrative

4. Stuttering: A brief review

(<http://www.aafp.org/afp/980501ap/lawrence.html>)

Reason: Not a guideline, summary on stuttering

5. Evaluation and management of the child with Speech Delay

(<http://www.aafp.org/afp/990600ap/3121.html>)

Reason: No recommendations

6. Evaluating Hoarseness: Keeping your Patient's Voice Healthy

(<http://www.aafp.org/afp/980600ap/rosen.html>)

Reason: Evaluation and diagnosis

7. Position Statement & Guidelines of the Consensus Panel on Support Personnel in Audiology

(<http://www.audiology.org/professional/positions/support.php>)

Reason: Recruitment policy

8. Assessment: Melodic intonation therapy

(<http://www.aan.com/public/practiceguidelines/00000065.pdf>)

Reason: Evaluation

9. Early Identification of Hearing Impairment in Infants and Young Children

(http://odp.od.nih.gov/consensus/cons/092/092_intro.htm)

Reason: Not a guideline

10. Managing Otitis Media with Effusion in Young Children

(<http://www.aap.org/policy/otitis.htm>)

Reason: Medicine

11. Imaging recommendations for patients with dysphagia

(http://www.acr.org/cgi-bin/fr?tmpl:appcrit,pdf:0225-230_dysphagia_ac.pdf)

Reason: Descriptive, for radiologists

12. Screening for Hearing Impairment

(<http://hstat.nlm.nih.gov/frs/directBrowse.pl?collect=cps&dbName=cps&href=CH35&t=999801257>)

Reason: Screening

13. New born and Infant Hearing Lost: Detection and Intervention

(<http://www.aap.org/policy/re9846.html>)

Reason: Recommendations are not relevant to patients

14. Role of the Audiologist in the Newborn Hearing Screening Program

(<http://www.audiology.org/professional/positions/nhsp.php>)

Reason: Summary of the audiologist role

15. Autistic disorders: What can a physician do?

(<http://www.bcma.org/bcmj/June2001/DisordersAutism.asp>)

Reason: More applicable to physician and on evaluation

16. Ear Infections and Language Development

(http://www.pueblo.gsa.gov/cic_text/children/ear-lang/ear-lang.htm)

Reason: Applicable to general public

17. Issues to consider in deaf and hard of hearing patients

(<http://www.aafp.org/afp/971115ap/gulati.html>)

Reason: Recommendations for interview

18. Diagnosis, natural history, and late effects of otitis media with effusion

(<http://www.rand.org/health/epc/pubs/omeabs.pdf>)

Reason: Report on research

19. VPQHC Otitis Media Clinical Guideline

(<http://www.vpqhc.org/otreport.htm>)

Reason: More specific to medicine

20. Autism / Pervasive Developmental Disorders. Assessment and Intervention for Young Children (Age 0-3 Years)

(<http://www.health.state.ny.us/nysdoh/eip/autism/index.htm>)

21. Types of Speech and Language Problems

(http://www.cchs.usyd.edu.au/csd/clinic/types_of_probs.htm)

Reason: Not a guideline, descriptive information for parents

22. Middle Ear Fluid in Young Children

(<http://www.kidsource.com/kidsource/content/mef.html>)

Reason: Not a guideline, descriptive information for parents

23. Audiologic Management of Individuals Receiving Cochleotoxic Drug Therapy

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1741>)

Reason: Recommendations specific to pharmacologist

24. Audiology Services in the Schools

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1651>)

Reason: Recommendations are specific to patients

25. Competencies in Auditory Evoked Potential Measurement and Clinical Applications

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1792>)

Reason: Concern required competencies in audiology

26. Determining Threshold Level for Speech

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1797>)

Reason: Audiologic evaluation

27. Education in Audiology Practice Management

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1702>)

Reason: Curriculum (formation)

28. Caseload Size and Speech-Language Service Delivery in the Schools

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1660>)

Reason: Recommendations on caseload

29. Guidelines for Graduate Education in Amplification

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=5978>)

Reason: Recommendations for academic institutions

30. Manual Pure-Tone Threshold Audiometry

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1705>)

Reason: Recommendations on how to find the threshold

31. Guidelines for the Structure and Function of an Interdisciplinary Team for Persons With Brain Injury

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1849>)

Reason: Competence needed in SLP

32. Guidelines for the Training, Credentialing, Use, and Supervision of Speech-Language Pathology Assistants

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1849>)

ile.cfm&PageID=1653)

Reason: Competence of SLP assistants

33. Knowledge and Skills Needed by Speech-Language Pathologists Providing Services to Dysphagic Patients/Clients

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1654>)

Reason: Do not exist anymore

34. Orofacial Myofunctional Disorders: Knowledge and Skills

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1844>)

Reason: Professional formation

35. Training Guidelines for Laryngeal Videoendoscopy/Stroboscopy

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1655>)

Reason: Concern competencies required

36. Aged Persons with Hearing Impairment

(<http://www.audiology.org/professional/positions/aged.php>)

Reason: Recommendations are very general

37. Guidelines for Audiologic Screening

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=4280>)

Reason: Recommendations on screening

38. Knowledge and Skills Required for the Practice of Audiologic/Aural Rehabilitation

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=7395>)

Reason: Recommendations on competencies

39. Joint Audiology Committee Clinical Practice Statements and Algorithms

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=5582>)

Reason: Algorithms are for administration

40. Standards for Effective Oral Communication Programs

(<http://professional.asha.org/resources/deskref/loader.cfm?url=/commonspot/security/getfile.cfm&PageID=1977>)

Reason: Done in 1979

41. Audiologic Guidelines for the Diagnosis & Treatment of Otitis Media in Children

(<http://www.audiology.org/professional/positions/otitis.php>)

Reason: Authors and reference not mentioned

42. Conflicts of Professional Interest

(<http://www.audiology.org/professional/positions/conflicts.php>)

Reason: Ethic code
